## Help for those who speak another language and for the hearing impaired

If you require language assistance, please call the Member Services number on your member ID card, and a representative will connect you with an interpreter. You can also get interpretation assistance for utilization management issues or for registering a complaint or appeal. If you're deaf or hard of hearing, use your TTY and dial 711 for the Telecommunications Relay Service. Once connected, please enter or provide the telephone number you're calling.

## Ayuda para las personas que hablan otro idioma y para personas con impedimentos auditivos

Si usted necesita asistencia lingüística, llame al número de Servicios al Miembro que figura en su tarjeta de identificación de miembro, y un representante le conectará con un intérprete. También puede recibir asistencia de interpretación para asuntos de administración de la utilización o para registrar una queja o apelación. Si usted es sordo o tiene problemas de audición, usar su TTY y marcar 711 para el Servicio de Retransmisión de Telecomunicaciones (TRS). Una vez conectado, entrar o proporcionar el número de teléfono que está llamando.

**DISCOUNT OFFERS ARE NOT INSURANCE.** They are not benefits under your health plan. You get access to discounts off the regular charge on products and services offered by third-party vendors and providers. Aetna makes no payment to the third parties — you are responsible for the full cost. Check any health plan benefits you have before using these discount offers, as those benefits may give you lower costs than these discounts. Vendors and providers are not agents of Aetna and are solely responsible for the products and services they provide. Discount offers are not guaranteed and may be ended at any time. Aetna may get a fee when you buy these discounted products and services.

### Hearing discounts:

Hearing products and services are provided by Hearing Care Solutions and Amplifon Hearing Health Care.
